Jesse began his career in banking as an intern in southwest Kansas and later hired as a full time Credit Analyst and then a Lender. Because of his ties to Oklahoma, Jesse wanted to move back and joined Liberty National Bank in 2019 as a Loan Officer at the Elgin location.

Jesse has experience in all types of loans including consumer, residential speculative, and custom homes but he specializes in agricultural loans. Ranging from stocker and cow-calf operations to crop production, Jesse can service your needs.

Even though Jesse hasn't lived in the Elgin area long, he has made an impact on the community, serving as the Treasurer of the Elgin Chamber of Commerce. He is also a highly involved member at Connection Church serving as the Youth Pastor and where you can find him playing bass guitar in the worship band on Sunday mornings.

Jesse holds a Bachelor Degree from Oklahoma State University in Plant and Soil Science with an emphasis in Agricultural Economics. He has also completed the Accredited Banking Professional course through the Emmerich Group and the Oklahoma Bankers Association Consumer and Commercial Lending School. He continues his education by attending workshops and classes in many facets of Agricultural Economics when the opportunity arises.
