Rick began his career in the banking industry in 1987 in the Credit Administration Department. With his dedication to his trade, Rick quickly developed the skills needed to advance within the industry and has held the positions of Credit Analyst, Loan Review, Branch Manager, and Commercial Lending. Rick joined Liberty National Bank in 2006 as Chief Lending Officer, became President in 2009, then Chief Executive Officer in 2013.

During his career, Rick worked primarily with commercial customers helping them to achieve their goals with commercial loans, deposit accounts and other solutions regarding many aspects of Treasury Management. Rick states that the most gratifying aspect of banking is listening to a customer's needs and finding a solution that meets that need whether it be a loan, deposit product or any other banking service.

Rick has been honored to serve his community over the years. He has had the privilege of being involved with AMBUCS, Leadership Programs, Great Plains Technology Center Foundation and the Lawton-Ft. Sill Chamber of Commerce. He currently serves on the Comanche County Memorial Hospital Foundation, Vice Chairman for the Oklahoma Bankers Association, Chairman of the Government Relations Council for the OBA and will begin as Chairman for the OBA in May 2020.

Rick graduated with a Bachelor degree in Finance from Oklahoma State University and a Master Degree in Business Administration from Oklahoma City University. His banking education includes the American Bankers Association Commercial Lending and Graduate Commercial Lending School.
