Dylan was born loving numbers, accounting, and people. Because of his unique ability to see the big financial picture of things put before him and his attention to detail, he became a Loan Officer for Liberty National Bank in 2020. Prior to his promotion, Dylan spent three years in accounting and one year in credit analysis with LNB.

If you want to make Dylan smile, give him an Excel spreadsheet to work on. He loves to develop financial analysis/modeling as he helps a customer develop the plan that best fits their loan goals.

While Dylan loves Excel, he loves his community even more. He is a Service Award Recipient in the 2019 Leadership Class IV with the Oklahoma Regional Food Bank of Oklahoma (RFBO), a member of the Chickasha Lion's Club, a 2019-2020 RFBO Leadership Council Member, and was chosen to umpire the 2016 USA Softball Fastpitch 12U B National Tournament.

Dylan graduated with a Bachelor Degree in 2014 from East Central University. He is also a 2017 Honors Graduate from the Oklahoma Bankers Association Operations School.
