Magen has been in the banking industry since 2010 and joined Liberty National Bank in 2015. She has served as a Teller, Vault Teller and Teller Supervisor before being promoted to her current position as Teller Operations Coordinator. She believes in being a great leader and helping others to grow which is what led to her new role. Her go-give attitude and dedication to her team will serve her well.

Magen loves to volunteer for events. Whenever possible she is the first to sign up and has helped with College Corner, many parades, marathons and rodeos around our communities.

When she's not volunteering she enjoys painting and crafting but her key to a great weekend is spending time with her son.
