Dana joined LNB in 2021 but has served in the banking industry for 32 years, 24 of those as a Commercial Lender. Prior to becoming a Lender, she held positions in the Internal Audit Department for six years and Loan Review for two years.

Dana also has her CPA certification which is an additional benefit in the lending field. She enjoys helping customers with all their loan needs but her specialty is in the medical field.

She is active in the Oklahoma Business Consortium. Each year she helps judge the High School Regional Ethics Bowl contest. She loves helping students learn how to grow in today's world and further their education.

Dana has a Bachelor's of Science Degree from East Central University. She also maintains her CPA certification each year by completing 40 hours of continuing education.
