580.585.6247

Monte started his banking career with LNB in 2021 after a successful 18-year career in television. He began his Loan Officer path by going through the LNB training program. This started with a Credit Analyst position where he learned the principles of lending and financial analysis. It also gave him the opportunity to work with other Loan Officers in preparing commercial and consumer credit memos, reviewing appraisals, draw requests and borrowing bases. With his successful completion of the program, he has moved into the ultimate goal of Loan Officer at our Gore location.

Monte is committed to the community he serves. He is the past president and current member of the Walters Rotary Club, member and newsletter editor for Great Plains AMBUCS in Lawton, board member for the Lawton-Fort Sill Chamber of Commerce and Lawton Arts for All. He is also a past fundraising campaign chairman for the United Way of Southwest Oklahoma and lifetime member of Cameron University Alumni Association.

Monte has a Bachelor of Arts degree in Communications from Cameron University. He has also attended several banking courses since joining LNB to better prepare him for his Loan Officer role.
