469.825.6561

Frank began his banking career in 2018 and has excelled in the financial field. He began as a Credit Analyst and quickly moved to a Credit Analyst/Portfolio Manager. Due to his success it was not long before he advanced to a Commercial Loan Officer before joining LNB in 2022.

Frank grew up in Frisco, TX which was a small town at the time but has grown into one of the largest cities in the DFW area. Over time he realized that for each new property or business coming into Frisco it was a bank or financial institution that financed it. With this in mind, he knew that growing a community through the financial sector was of great interest to him. Now as an established banker in DFW he gets to personally see the impact his work has on the community through loans he has established with borrowers.

When Frank is not working with customers he enjoys being outdoors, whether its hunting and fishing or on the golf course. He is also involved with the Financial Management Association and Real Estate Organization in the DFW area.

Frank graduated with Cum Laude Honors from Texas Tech University with a Business Administration Degree in Finance.
