

Casey Cox

SVP / Loan Officer

Casey.Cox@WeAreLiberty.Bank

580.730.8095

Casey joined Liberty National Bank in 2023 as an SVP / Loan Officer. He started his banking career right out of college as a Loan Officer, before moving into an Executive Vice President/Branch Manager role that he held for the past 20 years. This Elgin native specializes in agriculture lending, consumer lending and construction lending, but is eager to assist any way that he can.

Casey grew up on a small family farm in the Elgin area where he has lived his entire life. He has continued his passion for the agriculture industry, in which he currently raises and sells club calves and club lambs.

He is a board member of the Comanche County Saddle and Sirloin Club, involved in the fundraising and general functions of the Comanche County Stock Show. He is actively involved with his daughter's club lamb/show program and with his son's sports. He is also an active member of First Assembly of Lawton.

Casey holds a Bachelor of Science degree from Cameron University and graduated from the Oklahoma Bankers Association's Intermediate School of Banking in 2010.
